The South Dakota State Fair to be held September 1-5th in Huron offers fantastic entertainment for the whole family! It is one of the largest agricultural fairs in the livestock, crafts, horticulture, art and education, 4-H and FFA exhibits. Farm equipment and livestock dealers display the latest in agricultural technology and equipment. Also, there are over 350 vendors displaying their products and services as well as a wide variety of food vendors. It has the largest carnival in the state and free events--fun for all. Some of the events include a chili and BBQ beef cook-off, barrel races, and a variety of musical entertainment. Plan to attend the South Dakota State Fair! More information can be found at <http://www.sdstatefair.com/events/grandstand.asp>

The railroad bed from Mitchell to Chamberlain is being updated with new rail and ties. Highway traffic needs to watch at the highway/rail crossings to avoid any accidents with equipment that may be moving on the railroad.
