**These two distinct elements of Kimball's economic development efforts have different goals that would result in a better and more prosperous community**

#### **KIMBALL ECONOMIC DEVELOPMENT CORPORATION**

Works with projects to include housing, business growth, youth involvement, and beautification in the City of Kimball. Citizen participation in advancing these goals is necessary to succeed

#### **KIMBALL AREA FOUNDATION**

Raises funds to be granted back into our community for future economic development projects. The foundation maintains a fund for the grants which could help a development projects but maintains a sustainable balance to continue to fund these projects. An immediate need for the Kimball Area Foundation is to raise funds to reach a funding balance to be able to advance grants to worthy community projects and businesses.
